SITA RAM SINGH

Not-withstanding the provision of any law, usage, custom or convention for the time being in force prohibiting any doctor, hospital and/or employer from divulging any knowledge or information about me concerning my health or employment on the grounds of secrecy, I, my heirs, executors, administrators and assignees or any other person or persons, having interest of any kind whatsoever in the policy contract issued to me, hereby agree that such authority, having such knowledge or information, shall at any time be at liberty to divulge any such knowledge or information to the Corporation.

And I further agree that if after the date of submission of the proposal but before the issue of First Premium Receipt

- (i) any change in my occupation or any adverse circumstances connected with my financial position or the general health of myself or that of any members of my family occurs or
- (ii) if a proposal for assurance or an application for revival of a policy on my life made to any office of the Corporation is withdrawn or dropped, deferred or accepted at an increased premium or subject to a lien or on terms other than as proposed, I shall forthwith intimate the same to the Corporation in writing to reconsider the terms of acceptance of assurance. Any omission on my part to do so shall render this contract to be dealt with as per provisions of Section 45 of the Insurance Act, 1938 as amended from time to time.

▼ Section 45 of the Insurance act,1938 as amended by Insurance laws(Amendment)Act,2015

- (1) No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e., from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.
- (2) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud:

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and the materials on which such decision is based.

Explanation I - For the purpose of this sub section, the expression "fraud" means any of the following acts committed by the insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy:

- (a) The suggestion, as a fact of that which is not true and which the insured does not believe to be true;
- (b) The active concealment of a fact by the insured having knowledge or belief of the fact;
- (c) Any other act fitted to deceive; and
- d) Any such act or omission as the law specially declares to be fraudulent.

Explanation II – Mere silence as to facts likely to affect the assessment of the risk by the insurer is not fraud, unless the circumstances of the case are such that regard being had to them, it is the duty of the insured or his agent, keeping silence to speak, or unless his silence is, in itself, equivalent to speak.

(3) Notwithstanding anything contained in sub-section (2), no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intension to suppress the fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer:

Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.

Explanation: A person who solicits and negotiates a contract of insurance shall be deemed for the purpose of the formation of the contract, to be agent of the insurer.

(4) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued:

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based:

Provided further that in case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not

on ground of fraud, the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation.

Explanation – For the purposes of this sub-section, the mis-statement of or suppression of fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer, the onus is on the insurer to show that had the insurer been aware of the said fact no life insurance policy would have been issued to the insured.

(5) Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

▼ Section 41 Of the Insurance Act,1938 As amended by Insurance Laws(amendment)Act,2015

1) No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectus or tables of the insurer.

Provided that acceptance by an insurance agent of commission in connection with a policy of life insurance taken out by himself on his own life shall not be deemed to be acceptance of a rebate of premium within the meaning of this sub-section if at the time of such acceptance the Insurance agent satisfies the prescribed conditions establishing that he is a bonafide Insurance Agent employed by the insurer.
